SEPARATION AND RECALL

A. GENERAL STATEMENT

It is recognized that under 10-220 and 10-4a of the Connecticut General Statutes, the Board of Education has the responsibility to maintain good public elementary and secondary schools, and to implement the educational interests of the state. However, recognizing also that it may become necessary to eliminate professional staff positions in certain circumstances, this Article is adopted to provide a fair and orderly process should such eliminations become necessary.

B. REASONS FOR ELIMINATION OF PROFESSIONAL STAFF POSITIONS

It is recognized that the Board of Education has the sole and exclusive prerogative to eliminate professional staff positions, consistent with the provisions of the state statutes. Elimination of professional staff positions may result from reasons including but not limited to decreases in student enrollment, changes in curriculum, severe financial conditions, or other circumstances as determined by the Board of Education.

C. DEFINITIONS

(a) As used herein, the term "days" shall mean calendar days.

(b) As used herein, the term "teacher" shall apply to any employee covered by this contract.

D. PROCEDURE

(a) The Board of Education may, in the first instance, exercise its right and power to reduce the number of professional staff positions without determining which teacher contracts will be terminated, if any, or what other staffing changes will be made to effectuate the purpose of position elimination.

(b) Prior to commencing action to terminate teacher contracts under this procedure, the Board of Education will give due consideration to its ability to effectuate position elimination and/or reduction in professional staff by:

- (1) voluntary retirements
- (2) voluntary resignations
- (3) transfer of existing staff members
- (4) voluntary leaves of absence

(c) In the event that it appears necessary to terminate teacher contracts in order to effectuate the elimination of professional staff positions, the Superintendent will propose to the Board for its consideration, an orderly plan for elimination of positions, identifying professional personnel whose contracts he/she recommends for termination.

If the board considers termination of the contract of a teacher, it shall authorize the Superintendent by official Board action to notify the teacher in writing that the termination of his or her contract is under consideration. Such initial notice shall be in the following form: "This is to notify you that termination of your contract of employment is under consideration." This notification, and any subsequent proceedings with regard to contract termination, will be in accordance with the provisions set forth in the Connecticut Teacher Fair Dismissal Law (10-151) of the Connecticut General Statutes.

(d) The following criteria will be used to select those employees whose contracts are to be considered for termination as a consequence of elimination of professional staff positions:

Criteria for determining which teacher(s) shall remain: Pursuant to Connecticut General Statute 10-151(b), as amended within the separate categories of tenure teachers and non-tenure teachers, the following criteria will be used in the order listed:

1. Areas of certification.
2. Total years of experience in the Suffield School System;
3. Total years of teaching experience;
4. Degree status as determined by the total number of hours of accepted professional development credits beyond the Bachelor's Degree;
5. Qualifications and ability as determined by a written evaluation of the teacher's performance as well as consideration of degree status.

(e) It is understood that a layoff is a termination of employment subject to administrative and/or judicial review in the manner set forth in the subsections of Section 10-151 of the Connecticut General Statutes as amended, and in no other manner. A layoff under this Article is not arbitrable under ARTICLE 5 of this contract.

E. POLICY PROVISIONS NOT APPLICABLE TO PROMOTION

Nothing, herein, shall require the promotion of a teacher to a position of higher rank, authority or compensation, although the teacher whose contract is to be terminated because of elimination of position is qualified and/or certified for the promotional position.

F. RECALL PROCEDURE

If the employment of a teacher is terminated because of elimination of positions, the name of the teacher shall be placed on a reappointment list and remain on such list for two (2) full years unless such teacher obtains employment as a public school teacher in another district, other than on a substitute basis, during that period. If a position becomes open during such period, the teacher who has been selected by the Board of Education as the person on the recall list who is certified to hold that position, as determined in D (e), will be notified in writing by registered mail, sent to his/her last known address, at least thirty (30) days prior to the anticipated date of re-employment. The teacher shall accept or reject the appointment in writing within fifteen (15) days of date of letter registration. If the appointment is accepted, the teacher shall receive a written contract within twenty days (20) of the receipt of the teacher's reply by the Board of Education. If the teacher rejects the appointment offer or does not respond according to this procedure within fifteen (15) days, then the name of the teacher will be removed from the recall list. Teachers recalled under provisions of this Article shall have all previously earned sick leave and personal leave days reinstated.

2. Teachers who accept part-time teaching positions or non-certified positions in Suffield as a result of the elimination of their full-time position shall remain on the recall list. They shall be offered the first available full-time teaching position for which they are certified and qualified.

H. All Administrators employed by the Suffield Board of Education who are covered by the provisions of the Teacher Fair Dismissal (Tenure) Law and who are laid off from work due to a reduction in administrative staff shall have rights to displace teachers covered by this Agreement, in positions where said administrators are qualified and certified as determined by Article 16 of the Professional Agreement in a manner provided by applicable law. No administrator shall be discriminated against with respect to such displacement rights by virtue of his/her service outside the teacher bargaining unit.

ARTICLE 43

For all elective surgical procedures, the Second Opinion "service line" must be contacted to determine if a Second Opinion is necessary. If deemed necessary, the Second Opinion will be covered 100%, not subject to deductible. A Third Opinion will also be covered 100%.

If a Second Opinion is deemed not necessary, you may still obtain one. Under these circumstances, the Second Opinion will be treated as any other expense subject to deductible and coinsurance. Third Opinions are also available, but reimbursed as any other expense.

If a Second Opinion is not obtained when required, reimbursement for the surgical procedure will be reduced by ten percent (10%).

3. Pre-Admission Testing

The purpose of the Pre-Admission Testing feature is to encourage plan participants to have diagnostic tests done prior to Hospital confinement.

Costs for necessary tests done prior to Admission will be paid at 100% with no deductible, when done on an outpatient basis prior to confinement. This provision applies to all elective, non-emergency admissions.

There is no need to contact the insurance carrier prior to the admission. However, as part of the scheduling process, you should ask your physician to request Pre-Admission Testing for necessary tests.

If Pre-Admission Testing is not done for confinements which are not due to an Emergency Illness or Accident, the normal coinsurance and deductible provisions may apply.

4. Generic Drug Alternative

Many Prescriptions today may be properly filled with a "generic" alternative, rather than a "brand name" drug. The purpose of the Generic Drug alternative is to encourage you to use appropriate but less expensive medication services for necessary treatment. The generic alternative is an option and not mandated under any circumstances.

When Prescriptions are filled with a Generic Drug, the program will pay 100% after the regular calendar year deductible has been met. All other prescription drugs will continue to be paid at 80/20%.

There are no penalties for the use of a "brand name" drug. The level of reimbursement will remain at 80/20%, after deductible, as at present.

5. Case Management

Individual Case Management is an organized effort to identify, as early as possible, hospitalized patients who may have high-cost, complicated illnesses. It is specially designed to coordinate their health care benefits as efficiently and cost effectively as possible. It often provides for extended or expanded coverage for benefits normally limited by regular plan provisions.

If the case is determined appropriate for the program, a representative will work with the patient or patient's representative, the patient's physician, hospital and other health care providers to coordinate medical benefit resources. Exceptions and special plan arrangements will be identified and approved in advance of recommended treatment plans.

The program is intended to maximize member and physician choice and to promote the most efficient and appropriate use of available benefits.

The program is voluntary; a participant never has to accept the recommendations or alternative treatments offered by the program coordinator.

6. Psychiatric and Substance Abuse Management

The Psychiatric and Substance Abuse Case Management program assists employees and their dependents suffering from nervous, mental, drug or alcohol-related illnesses requiring hospitalization. It offers treatment alternatives when hospitalization may not be medically necessary. Psychiatric, drug and alcohol-related admissions are subject to pre-admission review. If you fail to notify us of the admission within the required time frame, benefits will be reduced.

IN WITNESS WHEREOF, the parties hereunto have caused these presents to be executed by their proper officers, hereunto duly authorized, and their seals affixed hereto as of the date and year first above written.
