SEA Protocol for Staff Members Filing Assault/Unusual Incident Report

Connecticut General Statutes Section 10-233g pertains to physical assaults upon school employees by students and requires:

a) Where there is a threat of physical violence or a physical assault made upon a teacher or other school employee on school property or in performance of school duties, and such teacher or employee files a written report with the school principal based upon assault, the school building principal, or his/her designee, shall report such physical assault to the local police authority.

b) No school administrator shall interfere with the right of a teacher or other employee of a board of education to file a complaint with the local police authority in cases of threats of physical violence and in cases of assaults by a student against such teacher or employee.
